

## FIRST STOP

London, England, where you'll be introduced to Hannah Moore, advocate for the abolition of slavery, Josephine Butler and John Stott, one of the most influential Christians of the 20<sup>th</sup> century and others

We should not ask, 'What is wrong with the world?' for that diagnosis has already been given. Rather we should ask, "What has happened to salt and light?"  
-John Stott

"Accustom yourself to look first to the dreadful consequences of failure; then fix your eye on the glorious prize which is before you, and when your strength begins to fail... let the animating view rekindle your resolution, and call forth in renewed vigor the fainting energies of your soul."  
-William Wilberforce

Genius without religion is only a lamp on the outer gate of a palace; it may serve to cast a gleam of light on those that are without, while the inhabitant sits in darkness.  
-Hannah Moore

## SECOND STOP

May the strength of God pilot us, may the wisdom of God instruct us, may the hand of God protect us, may the word of God direct us. Be always ours this day and for evermore.  
-Patrick

Saul, Northern Ireland, where under Patrick's distinctive missional leadership, the first Celtic community began and then multiplied around the world.

## THIRD STOP

Geneva, Switzerland, to discover the missional dimensions of John Calvin the pastor and preacher and the women he worked with to welcome immigrants into the protection and freedom of the city.

"We should ask God to increase our hope when it is small, awaken it when it is dormant, confirm it when it is wavering, strengthen it when it is weak, and raise it up when it is overthrown."  
-John Calvin

This experiential journey fosters spiritual formation for adults in their 20's and 30's and consists of 8 conversations about people, past and present, who have followed Jesus through adversity in their vocation.

You will meet mentors past and present in London, Northern Ireland, and Geneva, receive the hospitality of local disciples of Jesus, and be personally mentored by our hosts in each of our locations.

Today, we have hosted 27 next generation participants with 2026 marking our fifth trip. Past participants have found it to be a fast-paced week that impacts their lives for a lifetime.

Northern Ireland co-hosts. Doug started his work career with Arthur Anderson and in mid-life became a barrister and worked as a trial lawyer. Maureen worked as a food scientist with Mars for 20 years and served on an EU Food Standards Commission. Both are incredibly wonderful hosts and mentors for following Jesus in all of life.

Geneva Hosts: Ian and Teri Rutter have served with Cru for over 40 years in France. Most recently, they have served as the European coordinators of Alongside Ministries International mentoring the next generation of Alongside missionaries.

As a participant in 2023 Joanna experienced stepping into God's bigger and better story for her life. In 2024 she became trip administrator. Now in 2025 she is trip co leader and Chair of the Clapham Servants Board. In her day job she works as administrator for the Academic Success Centre at Gordon College.

Dr. Jim Longhurst has been a pastor for 45 years, including ten years as lead pastor of Crossroads Church, an international English-speaking church serving greater Geneva. He is the founder and President of Clapham Servants.
